TO WHOM IT MAY CONCERN
Recommendation Letter for IDC30BT and IDC30BD

The letter certify that the student below is a potential graduate for National Diploma in IT: Software Development from the Tshwane University of Technology.

Student Name:	PRINCE NGWAKO MASHUMU
Student Number:	219440561

It is my pleasure to recommend the student for a work integrated learning exposure as it is a requirement for the student to complete the diploma

The major fields of study in this diploma are:

- Software Development (Programming)
- Mobile Development
- Business Analysis and Modelling
- Software Testing
- Database Development and Administration

For the experiential training to add value to the student, we suggest that the students be assigned tasks and responsibilities that are aligned to the field of study. It is to be noted that the above mentioned fields of studies are only a guideline in this regard, any other Information Technology (IT) oriented projects and task may also be accepted. The duration of the industry exposure should be a minimum of **6 months**.

The student has consistently demonstrated an ability to rise to any challenges that he/she may face in his/her academic studies or any other endeavour.

In conclusion, I would like to state my strong recommendation for student. If you have any further questions regarding his/her ability or this recommendation, please do not hesitate to contact me or my office using the information on this letter head.

Please note that to be eligible to register for industry exposure module, the student must not have any outstanding modules left.

....

Dear Sir/Madam

I am a 3rd year student studying Information Technology at the Tshwane University of Technology. During my years in university,I have devoted myself to produce the best outcomes in development projects.

As a student,I built a basic understanding in coding, networks and I developed more knowledge in the field of software development.I have developed basic understanding of computers and networks to an extend that I have achieved a distinction in networks and computing fundamentals in university.

Attributes that I believe make me suitable for this position include the following:

Skills: Basic understanding of Software Development,Networks,computing fundamentals.

Experience: Basic understanding in Software Development

Certificates : Microsoft Certified: Azure Developer Associate

I'm mindful that you will get a lot of applications for this internship, however I would without exception value the amazing opportunity from you to exhibit my capacities to learn in person,I have enclosed a copy of my resume for your consideration however I can always be contacted on the details i provided above.

Thanks in advance for going through my resume.

Kind regards

PRINCE MASHUMU
